

# ***Bermuda Beneficial Ownership Regime Deadline further extended***

On 10 December 2018, the Bermuda Ministry of Finance gave notice that the deadline for updating or verifying the beneficial ownership register (the "Register") for companies, limited liability companies and partnerships was further extended from 15 December 2018 to 28 February 2019.

Legislation introducing the requirement for all companies, limited liability companies and partnerships to gather and maintain a register of beneficial ownership was enacted by the Bermuda Government and became operational on 23 March 2018. The Register is to be maintained by the corporate entity and the corporate service provider, with a copy to be filed with the Bermuda Monetary Authority. The Register may be accessed by or on behalf of the Registrar of Companies of Bermuda by request.
